At events where we provide food and drink ourselves, staff are provided at one member of staff for every 30 attendees. Should extra staff be required, these are charged at £15 per hour.

We can provide waitress service for private events at £15 per hour also. Ideal if you want to enjoy your own party. Our experienced staff can cook your barbecue or top up your guests glasses!

ALCOHOL

Pelicans@Kings and Café Victoria are both licenced premises.

Café Victoria sells wine, beer and cider and can run a basic pay bar or provide alcohol for events. Pelicans@Kings has a fully stocked bar. We can provide alcohol at other venues but need to apply for a licence for this. The licence only relates to the one event so we would need to pass on this costs which is around £100.

DELIVERY - Our delivery charge is £5.
